

# EN VOYAGE IN SAFETY

## PROLOGUE

*"travel is always about the experiences not about the destination"*

As the global situation evolves with countries at various stages of putting in place effective systems to control the COVID-19 infection, Singapore has been updating border measures accordingly. Cautiously approaching the situation, Sofitel Sentosa has been without any COVID-19 cases. To ensure that this sanctuary is kept safe for all, it has not been a dedicated Stay Home Notice or Government Quarantine Facility since the emergence of this unprecedented global crisis.

En voyage with Sofitel Sentosa and embark on this new journey with us.

## CHAPTER 2: BONJOUR

*"a hidden gem, a paradise and a sanctuary where luxurious experiences await you"*

Welcoming, safeguarding and taking care of you is at the heart of what we do and who we are. Say *bonjour* with the confidence that your well-being is taken care of and indulge in the kind of hospitality you can expect from a Sofitel.

Focusing every bit of these precious moments on yourself and your loved ones, bring along the essentials, as we safeguard you with minimal handling of your belongings and only upon request.

Granting your wanderlust wishes, dedicated ambassadors are ready to greet you warmly whilst smiling behind their masks and are available for your every need. Do come for breakfast earlier as there is a maximum dining time of 45 minutes per table - you may continue soaking up the morning sun at LeBar.

Prior reservations are mandatory to secure the best seats in the house for high-tea, lunch and dinner at all outlets – do note that there is a holding time of 15 minutes and a maximum dining time of two hours per table.
